ExpenseTrack 25.3 Release Notes

Release 25.3 for ExpenseTrack is now available and includes the following changes:

Expense Manager Updates

Optimization of the Timeliness of Push Notifications Delivery

Corpay ExpenseTrack Users and Administrators can now receive push notifications much sooner than before, thanks to improvements in the technical implementation. This enhancement significantly reduces the time taken for notifications to appear on devices after a transaction, ensuring timely delivery and enhancing user experience and efficiency. This optimization addresses the need for more timely push notifications delivery, benefiting all users.
